Mr. Anis Ramzan Ali Somjee is a well known name in Pune's hospitality community. Hailing from Raigad, Maharashtra, where the family had grocery store and farms, Somjees moved to Pune. After completing his school education, Mr. Anis Somjee started business with his father and ventured into running petrol pumps in Pimpri-Chinchwad. But his love and passion for preparing and serving quality and diverse food ultimately pulled him towards catering business. Initially serving for family and friends' events and marriage functions, it grew into a top of the class hospitality brand, known today as Supreme Caterers. From Royalties to State dignitaries, from family events to national level events, from IT Companies to industrial annual events, Supreme has been catering to all for last three decades. Building on this knowledge and experience and with the faith in his team of professional managers and chefs. Mr. Anis Somjee has now opened a new outlet to serve his speciality Nawabi cuisine.
